## Advanced Options Course

# Learn to ride market ups and downs.

Whether the market is up, down or sideways, you can use options trading to come out ahead. The Advanced Options course will give you even more strategies to use to manage risk and help you reach your financial goals. You'll learn several conservative strategies that can be applied in different ways – even in your retirement accounts.

This course will take your option trading skills to a higher level, step by step.

### You'll have the opportunity to:

- 1 **Evaluate** how advanced option strategies match your personal financial goals.
- 2 **Learn** to generate cash flow with high probability strategies.
- 3 **Find** out which strategies work best in which market conditions, based on price, time and volatility.
- 4 **Discover** the benefits of vertical-based strategies, such as Iron Condors and Butterflies.
- 5 **Learn** to use time in your favor with Calendar Spreads.
- 6 **Create** Diagonals by combining the best of vertical and time-based strategies.
- 7 **Acquire** tips for using thinkorswim from TD Ameritrade to make options trading quick and easy.
