

# Investor Talk™

## WHY SHOULD I PARTICIPATE?

This application-based training program shows you how the concepts you've learned apply in the market today, and allows you to put theory into action. The following Investor Talks are available:

- Macro-economic Talk
- High-Probability Talk
- Advanced Technical Analysis Talk

### Go beyond theory

Coaches who have been in the market trenches teach you how to apply what you have learned in any market condition. All sessions allow you to hear your coaches' voices and see their computer screens in real time.

### Get the real scoop

You get to see firsthand how some of our most experienced investors actually trade—real stocks, real market conditions, in real time. They also explain their personal techniques that were developed over time. All of their trading examples are from current market conditions.

### Become part of an online community

Get insight, exchange ideas and connect online with other investors who use the Investtools Method®.

### View at your convenience

Can't make the scheduled session? Then view the recorded Webcasts as many times as you'd like, whenever you'd like.
